

COVID-19 Student Impact Survey

Default Question Block

This survey aims to capture your reflections on spring quarter and your thoughts on the fall. The survey should only take only a few minutes to complete. It does not ask about remote learning in individual courses because new CTEC questions will address that. Please complete both this survey and CTECs to share your full perspective on your experience with the University. Please submit your responses by June 6. Your feedback and perspectives are valuable to Northwestern's planning efforts for the next academic year and we thank you for your participation.

This survey is completely voluntary. You may answer as few or as many questions as you wish. Remember your responses will be completely confidential, so please be candid. Survey results will not be reported in any form that would identify an individual.

If you have questions about this survey, or encounter difficulties in taking it, please contact Paul Schatz at p-schatz@northwestern.edu.
